Learn About:

- European influence on American classroom design and planning
- The Mandel Principle of ergonomics
- Global demographic and socioeconomic pressures on education
- Technology drivers and the use of multiple visual communication tools in the modern school

And...

• **The Seven Principles of Learning:**

- Learning is fundamentally social
- Knowledge resides in communities of practice
- Learning is an act of membership
- Knowledge is engagement in practice
- Engagement is inseparable from empowerment
- Learning requires access and opportunity
- Learning is lifelong

Gert Vanerum is the CEO of Belgium based Vanerum Group and major partner of VANERUM-STELTER. Gert is changing the way people teach, learn and work by applying the concepts of **i3 Learning Environments**: interactive, integrated and inspiring.

Jim Stelter is owner and CEO of Grand Rapids, MI based VANERUM-STELTER. Jim applies his vision of lifelong learning to all educational products, differentiating his brand through European design and user specific solutions.
